

Battery NiMH AAA/LR03 1.2 V 1100 mAh 4-blister

General information

High quality rechargeable Ni-MH batteries. These batteries can easily compete with more expensive A-brands. Many manufacturers claim a higher mAh capacity than the battery really has, the mentioned mAh on these batteries is the actual capacity. 1100 mAh is the highest capacity in the market.

Note: Price = 1 blister of 4 batteries.

Specifications
